

This is the second report on Salary Settlements for the 2012-2013 school year. Quite a few districts are still negotiating. Please call/e-mail districts directly if you have specific questions about one or more of the settlements listed below. The value, either in percent or dollars, of an individual “step” varies among school districts in Florida. If you have questions and/or comments about the chart below please contact Bill Graham at 850-414-2578 or graham@fsba.org
