

# F.E.N. SURVEY - December 2014

## Preparation time for Secondary Instructional Personnel

Orange County Public Schools has current contract language that states; "Middle and Senior High School teachers shall not be required to teach more than two subject areas." The agreement has no mention of preps.

The Orange County Glossary defines a preparation as "subjects as they are listed in the course code directory."

School District	Does your district include a definition for "preparation and/ or prep time" in its collective bargaining agreement with its teachers?	If you answered YES to # 2 above please share your contract language OR provide a link or equivalent reference details.	Does your district have contractual language that states/identifies the number of preparations a secondary teacher may have and are there any accompanying parameters/qualifications?	Contact
Palm Beach	Yes	<p>"Secondary teachers shall not be assigned to more than two (2) distinct academic fields or be assigned to more than three (3) distinct preparations that can be distinguished by recognized differences in content and that require additional preparation time." As an example, an "academic field" could be Mathematics, Science or Social Studies. A "preparation" in the academic field of Math, for example, could be General Math, Algebra I, Algebra II, Geometry, Trig., Calculus, etc. A "preparation" in the "academic field" of Science could be General Science, Biology, Physics, Botany, Physiology, etc.</p>	<p>Yes, 2 distinct academic fields or 3 distinct preps.  <a href="http://www.palmbeachschools.org/laborrelations/documents/CTACBA-2013-2014Modificationstothe7-11-11-6-30-14AgreementLatest.pdf">http://www.palmbeachschools.org/laborrelations/documents/CTACBA-2013-2014Modificationstothe7-11-11-6-30-14AgreementLatest.pdf</a></p>	Van Ludy
