St. Lucie	7.5	7.5	Yes	-
Sumter			No	Contract expresses its requirements for work as hours per workweek (38 hours per week). Schools are encouraged to designate daily work hours most conducive to avoiding unnecessary comp time and to provide the opportunity to take comp time earned. Thus, a school may have four shorter days and one longer day to accommodate a faculty meeting. This of course, is to occur in such a fashion as t not impede another school or complicate bus transportation.
Wakulla	7.5 or classroom minutes teachers provide to students = 305	7.5 hrs OR Classroom minutes teachers provide to middle school students = 290; Classroom minutes teachers provide to high school students = 270	Yes	Article #6 Teaching Conditions: A. The teacher workday shall be 7.5 hours. All full-time teachers shall have a minimum of 250 minutes of planning time per week. To the extent possible, all teachers shall have planning time during the student instructional day. If the nature of a subject or program requires the instructional schedule to be organized in blocks of time which makes this provision unworkable, planning time shall still be provided.
