

District	Is your District Health Plan fully insured or self-insured?	Does your District pay all or a portion of the premium per employee?	What is your current rate structure and monthly premium/employee?	Is your District Health Plan audited on an annual basis?	If Yes, who and/or what entity performs your audit(s)?
Hamilton	Fully insured	Portion	The District provides health insurance to all employees working greater than 20 hours a week. The Board's contribution is the same for all plans and is currently \$4,890 per plan year. The employee pays the premium beyond the Board's contribution and the amount is dependent on the enrolled plan and type.	No	N/A
Hernando	Fully insured	Portion	Attached	Yes	The District's Risk, Benefits & Compliance Dept audits Enrollment quarterly. Purvis Gray audits the District's financials annually, health insurance is included in that audit as
Marion	Fully insured	Every employee receives the same monetary contribution and then the employee contributes the rest for the buy-out plan. We have one fully board paid plan with no employee contribution.	We have four health plans, 1 fully board funded, the monthly premium the Board pays for each employee for single coverage is \$560.95. Attached	No	N/A
Monroe	Self-insured	Portion	Attached	Yes	Silver Insurance Consultants

District	Is your District Health Plan fully insured or self-insured?	Does your District pay all or a portion of the premium per employee?	What is your current rate structure and monthly premium/employee?	Is your District Health Plan audited on an annual basis?	If Yes, who and/or what entity performs your audit(s)?
Orange	Self-insured	The District offers 3 plans. One plan is no cost for employee only coverage, so the Districts pays the entire employee only premium for that plan. The other 2 plans require a contribution for employee only coverage, so the District pays 96% of the annual premium and employees pay 4% of the annual premium.	Attached	Yes	Medical claims are audited by CTI and prescription drugs claims are audited by BMI Auditing Services.
Osceola	Self-insured	Portion	Attached	Yes, as part of the overall annual audit of our School District budget	The Office of the Florida Auditor General completes our audit every third year, and Moore Stephens Lovelace completes our audit each intervening year.
Palm Beach	Self-insured	Portion	Attached	Yes	<i>An actuarial audit is completed annually by an outside agency, Gallagher and the health internal service fund is part of the District's annual financial statement audit performed by RSM US, an outside</i>
Pasco	Self-insured	All for one plan; portion for o	Attached	No	N/A
