Hello All Fellow FEN Members

As we make our way through our “new normal” and some of us struggle to remember the old normal, we want to update you on our annual conference. Our 40th annual conference had been rescheduled from May of 2020 to the Fall of 2020 and then when Covid refused to release its grip on our State, we moved it to May 3-6, 2021. Where we will have double-the-fun celebrating both our 40th and 41st years!

As many of you know, your FEN board has been trying to stay connected and still provide valuable experiences by providing FEN Webinars on the topics that impact us all. We truly hope you have found the FEN Webinars useful.

Our May conference will be held at the Embassy Suites by Hilton in Kissimmee which has been an exceptional host site for so many of our events. We are already working on topics and speakers for the conference that will be informative and helpful as you move Your Districts forward. We will happily accept ideas and suggestions that you might have for our sessions.

Until we have the opportunity to meet in person again, please keep your ideas and survey requests coming, the FEN organization is here to serve!

We wish you well as you navigate and negotiate our new normal!

Kathy Scalise
President
